Subject: Union Dues - Taken in Error
Good Morning,
A union due deduction for Probation Office Kimberlee Warren has been deducted in error since the Janus Act and must be repaid to Kimberlee for at least 2019 and 2020 for a total of \$913.02. I have worked with Payroll Manager Jerry Butterfield who is unable to process a negative deduction so that Kimberlee is repaid and the monthly union due check is adjusted before sending it to the FOP. The next step is to contact the union for a direct reimbursement but Kimberlee has not had success through that route.

I would like to contact the union directly but believe it should be coordinated through the union reps. Please advise how this issue should be addressed.

Thank you,

Pat Mingee
